

*Oh Seeker, did you know...
Responding to the call
for Unity of Religious Ideals
is like sailing
on the great waters of wisdom;
attuned to the Ideals of
Love, Harmony and Beauty;
guided by the compass of the Message in our time,
and driven by the energy of Spiritual Liberty;
while heading onwards
toward the Goal assigned by Destiny
and finally realizing
that the Sailor
is a ray of the all-pervading Divine presence
sailing in the Past, Present and Future,
on the infinite waves
of illusions.*
