RIVER OF GUIDANCE

WE INVITE YOU TO JOIN US FOR THE

River of Guidance Our Aspiration in the World

Celebrating the
Federation of the Sufi Message
commemorating Hazrat Inayat Khan's
planting the seed of the
Sufi Message in the West.

*The work of the mystic therefore is to study life.
For the mystic life is not a stage play or an
amusement; for the mystic it is a school for
learning in every moment of life. It is a continu-
al study. Therefore the scripture of the mystic is
human nature. Every morning the mystic turns
a new page of this scripture.*

~ Hazrat Inayat Khan, Gathekas

Senior teachers from the International Sufi Move-
ment, Inayati Order, Sufi Way, Sufi Contact,
Fraternity of Light, and the Sufi Ruhaniat Interna-
tional (hosts) will share teachings and practices
from their respective orders, and join in creative
dialogue.

This is an auspicious opportunity to both celebrate
the common core of our lineages and explore from
our hearts, the unique ways that the original
Message and teachings have developed and are
being expressed in the world by the various
branches of our family tree.

The Federation of the Sufi Message was formed in
1997 as a non-hierarchical umbrella organization
which embraces all the Sufi streams united in their
devotion to the Sufi Message and spiritual lineage
of Hazrat Inayat Khan. Since its inception, the
Federation has held annual gatherings, this year
we are pleased our gathering is open to all
mureeds of the Message.
